## In Matthew Williamson

January 18th, 2012 at 10:42 am . by Payal and Priyanka

It was another Matthew Williamson maxi for Faiza at a recent fundraiser. Allowing the embellished neckline to do all the talking, she kept the rest of it pretty simple.

P.S: You may recall seeing Ms. Ambani wear this print in it's tunic version.

P.P.S: Checked The P&P Project lately?
