REPORT FOR THE MONTH OF JULY

SOHAM FOR KIDS HOPE PRIMARY SCHOOL started functioning in a full-fledged manner from the 14th of July 2010 , i.e. 9.00 a.m to 3.00 p.m.

Keeping in mind the poor conditions prevailing in the families of the students the school started supplying milk to the children every day at 9.10 a.m., lunch in the middle of the day, and fruit during snack time.

To develop an interest in arts and cultural activities in the children the school has appointed one teacher to teach them dance and songs.

To enrich the teaching skills and abilities of the existing staff, Hope Foundation organized a special training session in Chennai with Milestones, an organization which trains people to handle pre- primary kids. For this purpose the staff of Soham went to Chennai on the 18th of July and came back on the 21st of July equipped with Montessori material and literature.

In spite of the busy schedule the staff have put all their heart and soul in order to complete the syllabus.

For the organization to be in a systematic form and to see that there are no lapses in the system there were a couple of staff meetings held and the resolutions were carried forward in the daily routine.
